

WHY NOT TRY SOME CRAFT AT HOME?

Can you find the
4 stars in one?

1. Cut all 3 stars on black line
2. Punch at all 3*○
3. Color and or glitter as desired
4. Fold each star in half from star point at punch hole to X
5. Glue half of backsides together matching star points
6. Match hole on all

*TRICK:
Stack the 3 cutout
stars on top
of each other
match points and punch
through all
3 layers

Dry fit 3 folded stars
before you glue
to see how
they go together

Make a crown for your window

The story of Jesus' arrival is all about God's King arriving, one who will come and live with anyone and everyone, and bring His love and light and help.

Why not write JESUS – THE KING IS WITH US across one side of the crown. On the other side colour in rainbow colours, stick it in the window to remind us He is BRIGHTER than any darkness.

Decorate your own crown
